

*Zfx is a leading company in the field of dentistry and with over 25 years of success and experience. Since 2010, Zfx has been part of the stock based ZimVie Inc. group, a US medical device company that is one of the world's largest dental suppliers.*

**To support our R&D team at the development site in Gargazon (Bahnhofstrasse 22, 39010 Gargazon - Italy), we are looking for:**

## Digital Dentistry CAD Specialist (m / f / d)

### Your profile

- Dental technician (CDT)
- Experience with dental CAD programs - Exocad and 3Shape
- Strong IT affinity
- Professional experience
- Basic knowledge of English required; ideally in another foreign language (German, Spanish, French, Italian)
- Basic knowledge of materials science and manufacturing processes
- Basic knowledge of MS Office

### Principal Duties and Responsibilities

- Creation of implant libraries for ExoCAD, 3Shape, DentalWings and RealGuide CAD
- Collaboration in the development and implementation of new digital workflows
- Act as a point of contact for our internal product managers and 1<sup>st</sup> level technical support team
- Creating presentations and technical instructions/documentation

### Our offer

- Varied range of tasks
- Latest equipment and technologies
- Unlimited employment contract with performance-related pay and annual bonuses
- Flexible working hours (no shift work and weekend work) and free vacation planning
- Meal voucher
- Development opportunities in an international environment
